**Dear Hiring Manager ,**

I am writing to express my interest in the Software Developer position at your company. With 2 years of experience as a software developer, I have a strong command of technologies such as HTML5, CSS3, Bootstrap, TailwindCSS, JavaScript, jQuery, React.js, and backend knowledge in Python, Oracle SQL, and MySQL. With a passion for solving problems and providing workable solutions, I believe I will be able to work with your excellent software development team. I also have outstanding all-round communication skills and the ability to work collaboratively with clients and cross-functional departments.

For your consideration, please find my resume enclosed. I would be grateful for the opportunity to meet with you and discuss how my skills and strengths may best benefit your organization. I appreciate your thoughts and time.

Best regards,

Qazi Shah I Jahan

Sincerely,
